Summer & Our Needy Neighbours

Summer for most of us is a time of relaxation. Unfortunately, poverty and need do not take the summer off and our needy neighbours still require the help and assistance provided by our Conference of the St Vincent de Paul Society and its benefactors.

On any weekend over the summer, but particularly on July 2-3 and August 6-7, we ask that you remember those who need our help. Please bring non perishable food items and place them in the St Vincent de Paul Bin at the back of the church.

As a result of the generosity of our benefactors we have an adequate supply of the most basic items but we would ask that you please consider donating **canned fruit and vegetables** over the summer period.
